

ACCESSIBILITY

* Accessible guestroom specificities

All our rooms have an accessible wardrobe rack.

A light-up vibrating alarm clock, a telephone and remote control with large buttons are available upon request.

At the hotel, our [Deluxe Room -56 m²](#) has been designed to welcome disable guests. The bathroom is spacious enough for wheelchair access and has a walk-in shower area and grab handles in the shower and toilet.

Each chalet has also a bedroom with the same equipment.

* Mobility aids

On request, we have a portable magnetic loop.

We are happy to provide a commode chair, a wheelchair or a pair of crutches, on simple request.

*** Anti-allergy bedding**

We offer the possibility to prepare the bed with hypoallergenic duvet and pillow, upon request at booking time.

*** Public areas accessibility**

All public areas and hotel toilets are accessible to wheelchairs and feature wide corridors and entrances.

The hotel has 2 lifts.

The Reception, the Spa, the 2 restaurants and the bar are also easily accessible to wheelchairs.

*** Accessible parking**

Our valet service take care of your vehicle upon arrival.

*** Service dog**

We are pleased to welcome all service dogs at the hotel.

*** Handiski**

Our Concierge service can assist you in booking an instructor trained in handiskiing.
